prospective studies are required to show whether the higher plasma levels of ezetimibe and its active metabolite in patients taking the 20-mg dose have any detrimental effects

a handcuffs without any actual activity becomes like a vegetable

the goal of this award is to further advance the translation and dissemination of research rather than directly engage award recipients in human-subject research

such laws typically enable consumers to be reimbursed by pet stores that sell them puppies that turn out to be in poor health

you will also probably feel anxious or panicky, depressed and perhaps even paranoid
